TICKET PRICES OF PLANES VS TRAINS – A EUROPE-WIDE ANALYSIS

*How low-cost carriers destroy the climate while
their unfair and aggressive pricing strategies go
unchecked*

“€10 airline tickets are only possible because others, like workers and taxpayers, pay the true cost”

July 2023

MOBILITY FOR ALL

Key findings

The report compares the costs of **flight** and **train** tickets on 112 routes in Europe at 9 different points in time.

Tickets for trains are on average twice as expensive as for flights
